## **-Microenterprise-**

Association for Enterprise Opportunity is the national leadership organization and the voice of microenterprise development.

In the United States, a microenterprise is usually defined as a business with five or fewer employees, small enough to require initial capital of \$35,000 or less.

AEO estimates there are more than 23 million microenterprises in the U.S., representing 18% of all private U.S. employment and 87% of all businesses. -
